

The NorthSea's Happy May Newsletter!

Hello Again Everyone ~

We'd announced our closing Tuesday, June 9th, 2026. *BUT* sometimes life throws curveballs and the powers above have made their wishes known.

While vacationing in Italy, my wife received notice that she, and her whole department, were being laid off. She was given three hours to send her last email.

Consequently, I will be keeping the clinic open for at least another year, possibly longer. It makes sense to have at least one income and besides, I love what I do!

Rhys, Danielle, and Hannah will still be moving on after June 9th. Rhys will be at [Wedgewood Acupuncture](#) and Danielle at [Acu Frequency](#). Hannah will stay focused on her pre-med studies at UW.

I will remain at our clinic, treating patients Mondays, Wednesdays, Fridays, and Saturdays. Our services and appointing system will remain the same, except for Danielle's Frequency-Specific Microcurrent treatments. Prices may increase slightly.

It is an honor and pleasure to serve you. Thank you so much for your understanding and support.

Good thoughts and best wishes,
Steve Knobler
